Crafted in small batches.

## Chesapeake Bay Catfish Recipe heavy metal test results

We always source the **highest quality ingredients** for Dr. Bob Goldstein's Wisdom® Dog Food. To ensure your trust in us, we believe the proof is in transparency which is why we test Wisdom Chesapeake Bay Catfish Recipe for heavy metals. Testing is completed by a 3rd party using the Association of Official Analytical Collaboration (AOAC) testing methodology. The AOAC is recognized globally as the gold-star for testing methodology which certifies our levels of heavy metal are far below the Federal Food and Drug Administration thresholds.
