

1% helps create a hunger-free community.

Support for our communities always heightens during the holiday season. In Earth Animal's home state of Connecticut, people and families – many with young children - turn to The Connecticut Foodshare (CFS) for assistance.

CFS is a member of the Feeding America nationwide network of food banks. Their mission is to deliver an informed and equitable response to hunger by mobilizing community partners, volunteers, and supporters by addressing root causes, creating long-term solutions, and distributing nutritious food through local partner programs to help alleviate hunger.

The Mitten Project, now in its 17th year, is our 1% partner throughout the holiday season. From October 1st through December 31st, your purchase on our website or at our flagship store in Westport, CT, helps us raise money specifically for CFS. Last year's efforts raised more than \$53,000. This year, we're determined to raise \$70,000.

Thank you for supporting these families in need.

17th Annual Mitten Project
